Connect will be my regular form of electronic communication to you. It will be here that you will find out about what your child has been doing in kindy.

Now and then I will upload photos of the students engaged in different activities that you can use to initiate conversations with your child. Ask them to tell you about their participation.

I have uploaded materials for you in the **Connect library** and these range for reference materials for viewing and reading to the introductory information about our kindy routines. In the **Connect Content** there are games, activities and learning materials for the children. Finally I'll keep you up to date with information through the **Connect notices**. If you download the **Connect Now app** you'll receive push notifications through your mobile device.

Please don't hesitate to contact me if you have any questions.
